

Subject: Request for Referral for [Position Title] at [Company Name]

Dear [Referrer's Name],

I hope you're doing well. I'm reaching out to see if you would consider referring me for the [Position Title] at [Company Name]. I've attached my resume for your review, and I'd be grateful if you could take a look.

As a computer science student with a strong focus on [mention specialization, e.g., software engineering, machine learning, or cloud computing], I've developed hands-on experience through various projects and internships. I'm particularly skilled in coding with languages such as [mention relevant languages, e.g., Python, Java, C++] and have completed projects on [mention specific types of projects, e.g., web development, data analysis, or app development].

In addition to my academic background, I've participated in [mention any coding competitions, hackathons, or relevant extracurriculars, if applicable], where I gained practical knowledge and strengthened my problem-solving skills.

If you think my background aligns with the needs of the role, I would be very grateful for a referral. I am truly excited about the chance to contribute to [mention any specific qualities about the company or team, e.g., the company's innovative projects or impact in the tech industry], and I'm eager to bring my skills to the team.

Thank you for considering my request, and please let me know if there's any other information I can provide.

Warm regards,
[Your Full Name]
