

## **INTERVIEW EXPERIENCE**

**NAME : TANISHKA AGARWAL**

**COMPANY : ION TRADING**

**PROFILE : CLIENT SERVICES**

A presentation is conducted by a group of ION members. Students should make sure to make it an interactive one, ask as many questions as possible.

### **Round 1 Online test**

Duration : 90 mins

No of ques : 60

No negative marking (make sure to attempt all)

MCQ based having questions from linux commands, SQL, C++, Java, quant, logical reasoning etc.

Further rounds were conducted at ION office , Noida

Shortlisted students from online test attended ION day at office. Around 100 students(for 3 profiles) were called from various colleges all over India. Around 40 students came for client services profile, so competition was very high.

### **Round 2 Group Activity (Have fun :P)**

Students will be divided in groups of 7-8 people and we were provided a long rope. We have to create as many shapes as possible (with explanation).

Motive behind this activity is to watch every candidate for their leadership, observation, communication skills. Make sure you make an active contribution in group activity.

Sometime the group mentor will blindfold 1 person (for ex: me) and ask you to carry on, make sure you work actively even after getting blindfolded (by asking ques from your mates and giving them suggestions).

### **Round 3 Written Test**

Duration : 30 mins

You cant really prepare for it.

Both subjective and objective based ques from finance domain, it was really tough.

#### **Round 4 System awareness**

Duration : 1 hr

You will be provided a system and a set of queries to handle. Meanwhile, you mentor will be sitting with you and watching everything you do.

I don't remember exactly ... but it was something like we had to fetch something from log book and then do some computations on them.

Note : Do your work and keep explaining him side by side, do not panic at any cost( even if you are not able to do your work), otherwise they wont select you.

Students will be selected based on the above 3 rounds (together). Selected students will go through further rounds.

#### **Round 5 Leadership Interview 1**

Ques like....Tell me about yourself, Strength and weakness, Cross question on your weakness (situation based), Hobbies, Ask you some puzzles ( he will ask you again and again as if you are wrong, so be confident), Technical ques based on what you have written in your CV, situation based questions, Any ques from him, etc

#### **Round 6 Leadership Interview 2**

Again... tell me about yourself.... Something you want to change in your life, some problem you face everyday, hobbies, comfortable with night shifts or not (obviously yes :P), your background, some other ques( which I don't remember)...

#### **Round 7 Psychometric Test**

Try to do as many ques as possible in minimum time

#### **Round 8 Panel Interview**

Before this interview you will be given a form to fill asking your details and some other questions (HR types again)

Interview questions will be based on your form...

Note : Always show them how much you want to work in this company, how motivated you are, be confident, must have good communication skills, etc...
