

INTERVIEW EXPERIENCE-AXTRIA

Priyanshi Jindal-MCA

Total Rounds:3

Round 1: Online Assessment(90 mins)

- Total number of questions-75
- Questions are asked from Quantitative Aptitude ,Logical Reasoning ,Data Interpretation, Verbal Ability and CS Fundamentals.

Round 2:Technical Interview(30-35 mins)

The interviewer started with his brief introduction and asked me to do the same. He asked me to explain my projects mentioned in the resume. Then he asked me about the type of sql joins and its types, differences between them and also asked one query based on the given database.

Then he asked me puzzle question-

1. <https://www.geeksforgeeks.org/puzzle-18-torch-and-bridge/>
2. <https://www.popularmechanics.com/science/math/a24208/riddle-of-the-week-6/>

Round 3:HR Round(15 mins)

The interviewer introduced himself and asked me to do so. Then he asked me about my family, weakness and strength ,challenges which I had faced in my life ,hobbies.

He asked me about Axtria , clients of Axtria and the preferred location where I can join .Then he asked if I had any questions ,then we both had little cross question and concluded the interview.

Points to Remember:

- Keep your resume 100% true.
- You must know everything mentioned in the resume and can expect any question from it.
- Keep calm and have a healthy interaction.
