

Resources Links

For DSA :-

1.A2Z Strivers Sheet -[Strivers A2Z DSA Course/Sheet - Crack Any FAANG or PBCs \(takeuforward.org\)](#)

Note-use A2Z sheet only for now. no need to follow SDE SHEET of 180 questions as you guys have enough time right now.

2.All in one DSA+DEV COURSES -[Heavens 14TB Edu Pack - Google Drive](#) (GOOGLE DRIVE)

Note-if you want to download any course use this link as on mega there will be a daily download limit of 5gb only.

3.All in one DSA+DEV COURSES (MEGA LINKS)-[MEGA](#)

Note- to stream/watch online use this mega link.

Web Dev-

Note-complete html ,css first from any youtube playlist but don't get stuck in html css only. After that follow these.

1.javascript-  Javascript for beginners | chai aur #javascript

2.react-  React JS roadmap | chai aur react series

3.react course(part-1)-[MEGA](#) (PART_2)-[MEGA](#) (WITH PROJECT DEVELOPMENT)

4.[MEGA](#) (full stack)

For App development

Check in the all in one mega/drive link you will get some good course.

1. <https://drive.google.com/drive/u/0/mobile/folders/1hguDPewD5arsqPNq7BMAfiVqwfy8N563>

2. [MEGA](#)

3. [MEGA](#)

4. kotlin [MEGA](#)

1.  The Complete Dart & Flutter Developer Course | Full Tutorial F...

2.  Flutter Full Course For Beginners with Projects (8 Hours) | Flut...

3.

 Android App Development Course for Beginners - Learn Android ...

ML/DATA_SCIENCE-

Check the courses available in all in one links

1.  What is Machine Learning? | 100 Days of Machine Learning

2. <https://www.youtube.com/@krishnaikhindi/playlists>

Note you can follow these two for ml and data science related stuff.

Note- these links do not own by/belong to me (AJAY).I had discovered these through web/telegram.
